Coffee and Wine

“For me, the smell of a great cup of coffee is equivalent to waking up at Grandma’s house on Christmas morning! Providing that sensation to my customers is what motivates me each day.” Alisa Struzel, Owner

COFFEES AND TEAS:

We love everything about coffee: the taste, the smell, the variety and the after-effects. We are passionate about bringing our customers the finest coffees available, which is why we serve Zoka world-class coffees and teas.

What is Fair Trade Coffee?

As the largest consumer of coffee products, many in the U.S. don’t realize that small coffee farmers are receiving prices for their coffee that are less than the costs of production, forcing them into a cycle of poverty and debt.

Fair Trade offers a solution. Labeled goods assure consumers that the coffee purchased was under fair conditions. To become Fair Trade certified, an importer must meet stringent international criteria.

WINE & BEER:

Enjoy a glass while you’re here, or take a bottle to go.

We want to help you relax. We offer over 500 varieties of wine and a selection of high-end, domestic and imported beers. Our staff is available to help you find wines that will appeal to your palette. Please feel free to ask questions—no question is a bad question. We’re all learning together!

What’s the secret to our delicious, Eastern Washington wines?

Our local wines get their intense flavors from the contrast between the long, hot, sunny days that ripen the fruit and the cool nights, which provide a fresh acid bite that prevents the flavors from becoming jammy.
